

WHAT DO ACI CUSTOMERS SAY?

“The ACI “Green” mattress is helping us to achieve our goal of zero waste, and it’s competitively priced with regular mattresses.”

“Utilizing ACI is allowing us to source our products in Arizona instead of China. ACI’s quality is there and we don’t need to order a container full at a time.”

“It’s so easy to use ACI since we don’t have to go to bid when we use them.”

“Our library furniture looks like brand new after ACI refurbished it. Their work is beautiful at a fraction of the cost if we replaced this with new furniture.”

ACI

ARIZONA CORRECTIONAL INDUSTRIES

***Building Products.
Rebuilding Lives.***

WHO WE ARE

- We are a unique self funded business within the Arizona Department of Corrections
- We are honest, hard working, and dependable
- We have the highest ethical standards and we ALWAYS seek to do the right thing
- We enjoy our work and celebrate our achievements

WHAT WE DO

- We employ inmates so they can learn and be productive
- We provide a safe and secure environment for all of our workers
- We want to constantly improve – to make things better
- We are accountable for our actions, our team, and our company
- We make a difference everyday

HOW WE DO IT

- We provide a positive learning experience for all of our workers
- We balance our home and business life
- Our quality is the best – if we find out it’s not, we fix it. If someone is better, we borrow their ideas.
- Everyone is passionately involved in making the customer happy

ACI

ARIZONA CORRECTIONAL
INDUSTRIES

Building Products. Rebuilding Lives.

To create opportunities for inmates to develop marketable job skills, civility and good work habits through successful enterprises that produce quality products and services for our customers.

PRINTING AND COPYING SERVICES

Business cards, stationary, forms, newsletters and brochures are just a small sampling of the work that can be provided.

FULFILLMENT SERVICES

More than secure data entry, ACI Fulfillment Services offers a wide variety of services including manual updates, product fulfillment, moving services, and shipping.

WOOD AND METAL REFURBISHING

If you are looking to replace desks, chairs, tables or other furnishings, consider the low cost alternative of the refurbishing services of ACI. Rebuild to the quality of the original product at a substantial savings.

METAL FABRICATION

Everything from picnic tables to bunks, shade structures, bus shelters and bike racks, if it is metal, welded, bent, fabricated, sandblasted and powder coated, The ACI metal shop can manufacture it.

CHAIRS, COMPUTER, AND OFFICE FURNITURE

ACI provides an extensive line of standard office and school furnishings, including modular office systems, desks, conference tables, utility and work tables, and ergonomic seating.

MILLWORK

Standard or custom millwork projects are no problem for ACI. Whether remodeling your break room or outfitting your new school, ACI has the experience and manpower to get the job done.

BEDDING PRODUCTS

The consumer and institutional bedding products manufactured by ACI exceed rigid industry standards. A full line of mattresses utilizing the recyclable cotton core are available, along with pillows, sheets and blankets.

PARK AND RECREATIONAL EQUIPMENT

ACI produces quality equipment for outdoor recreational areas. Picnic tables, benches, BBQ grills, campfire rings and exercise equipment are available.

BAKED PRODUCTS

The ACI bakery offers a full compliment of baked goods including whole wheat bread, hamburger and hoagie buns, cornbread, biscuits, sheet cakes and cookies.

INSTITUTIONAL PRODUCTS

ACI manufactures dormitory and cell furnishings, mattresses, bedding, pillows, linens, and clothing to the highest standards of safety and security.

SIGNS

ACI has a broad catalogue of sign products, including standard road and regulatory signs, magnetic, acrylic, interior, ADA, vinyl lettering, decals and vehicle graphics.

ENGRAVED PRODUCTS

Choose from a wide selection of plaques, badges, nameplates and office signs in a variety of styles and colors including solid wood, marble or acrylic.

LICENSE PLATES

ACI's digital license plate manufacturing process uses solvent free thermal transfer ribbons, eliminating volatile organic compounds, and simplifies the process for energy efficiency and waste reduction.
